MTH 2011 VOLUME-1 PREMIER --- RAILKING --- ACCESSORIES

THANK YOU for your continued support. Last year, READY TO ROLL celebrated its 20th anniversary which was made possible because of you, our great customers. MTH has put together another catalog full of great new items. It can be viewed online at www.mthtrains.com or we will be glad to send you one for the cost of postage, \$4.75, while supplies last. People who join the MTH Railroaders Club receive catalogs as part of their membership. As many of you now know, production quotas from all manufacturers have been scaled back, greatly reducing the numbers of available items with many selling out even before delivery. We would like your pre-orders in by the November 17th deadline, but will make every effort to cover you if you should like something after the deadline passes. So please don't delay. As always, we will honor our pre-order pricing policy until product release. Enjoy the catalog, order wisely and to everyone our sincere wishes for a safe happy healthy & prosperous 2011. Bill, Rick & Jimbo
