MTH 2012 VOLUME-1 PREMIER --- RAILKING --- ACCESSORIES

THANK YOU for your continued support. This past September, READY TO ROLL celebrated its 21st anniversary which was made possible because of you, our great customers. MTH has a catalog full of great items and it can be viewed online at www.mthtrains.com or we will gladly send you one for the cost of postage, \$4.75, while supplies last. Members of the MTH Railroaders Club receive catalogs as part of their membership. As many of you now know, production quotas from all manufacturers have been scaled back, greatly reducing the numbers of available items with many selling out even before delivery. We would like your pre-orders in by the November 28th deadline, but will make every effort to cover you if you should like something after the deadline passes. So please don't delay. As always, we will honor our pre-order pricing policy until product release. As the economy struggles to return to former levels, costs continue to fluctuate resulting in increased shipping costs. As a result and effective immediately, we will ship your items, by whichever means (UPS - USPS - FEDEX), at our actual cost in an effort to keep your costs as low as possible. Enjoy the catalog, order wisely and to everyone our sincere wishes for a safe happy healthy & prosperous 2012. Bill, Rick & Jimbo
