## **MTH 2010 VOLUME-2 PREMIER --- RAILKING --- ACCESSORIES**

Thank you for your continued support. This year, we are celebrating our 20th Anniversary! It has only been possible because of you, our great customers. Again, thank you very much. MTH has put together a fabulous catalog full of great new items. Please be aware that production quotas from all manufacturers have been scaled back. We would like your pre-orders in by the May 28th deadline. We will make every effort to cover you if you should like something after the deadline. Most items are selling out before they hit the street, so please don't delay. As always, we will honor our pre-order pricing until release. Also, there is a great line-up of starter sets and for the the first time, HO sets with DCS & DCC. Enjoy the catalog, order wisely, and to everyone our wishes for a safe, happy, and healthy 2010. Bill, Rick & Jimbo
